

HISTORIA DE LA CIRUGÍA

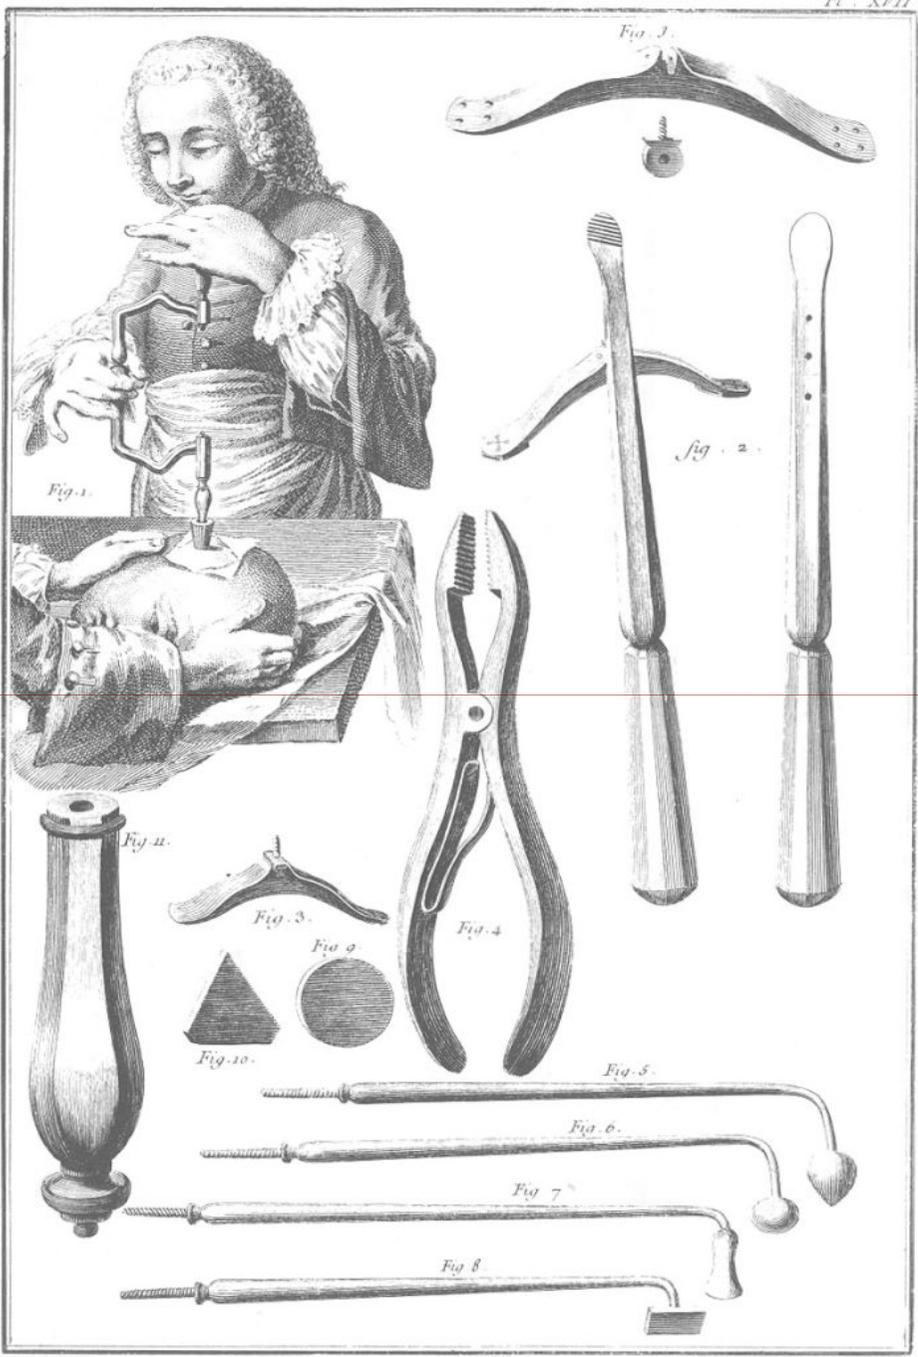

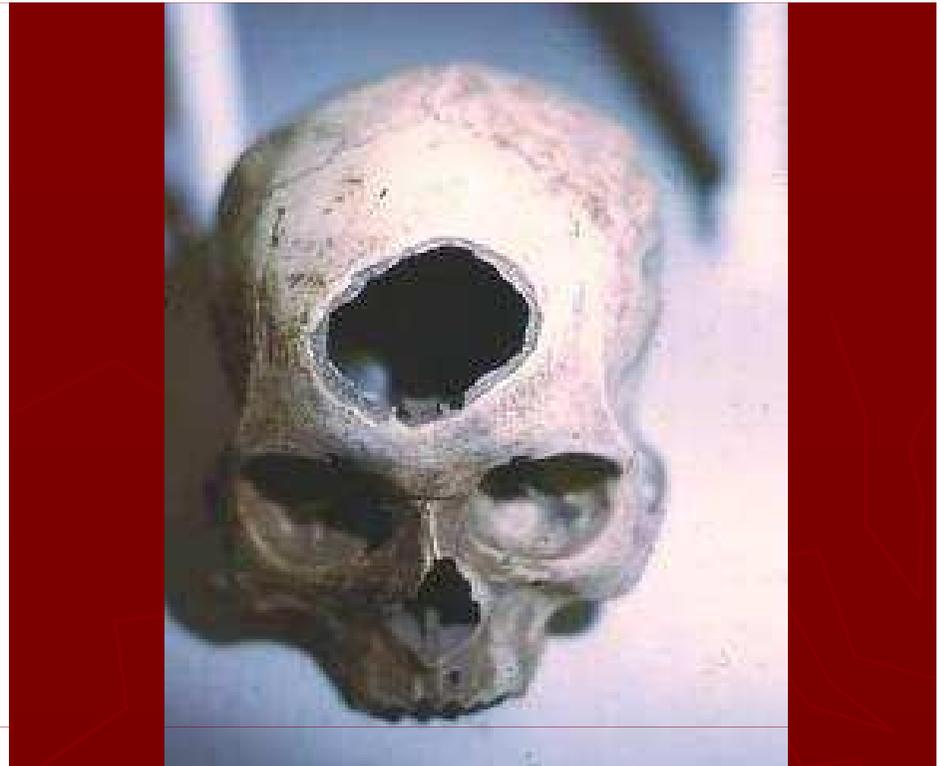

TREPANACIÓN

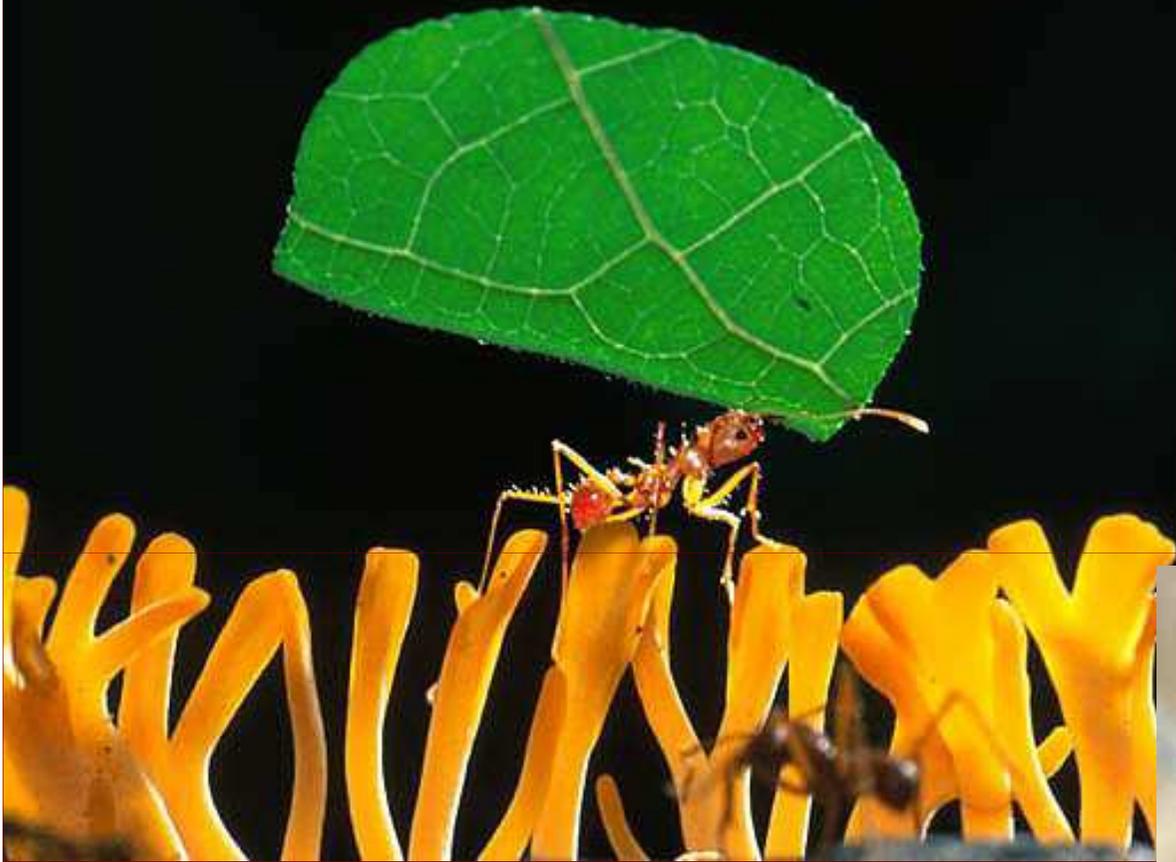

01

Chirurgie.

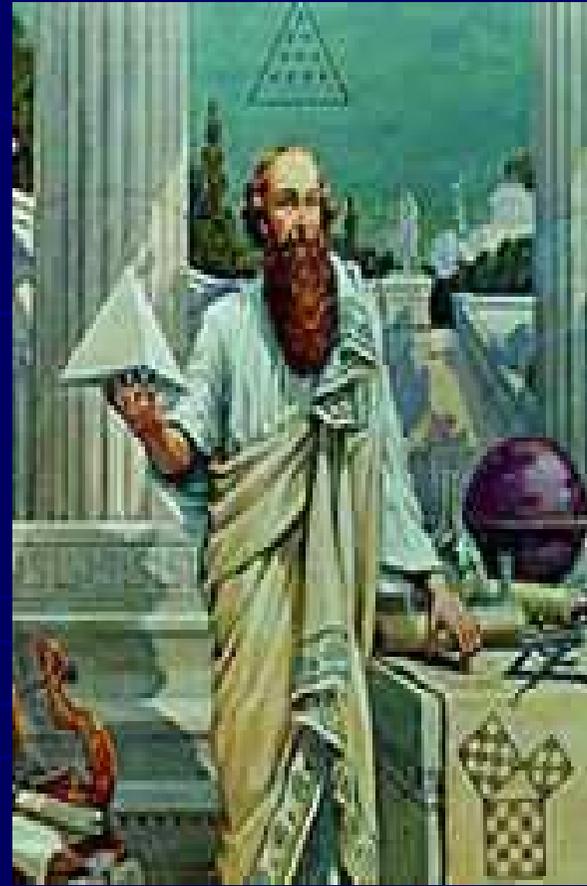

CATEDRAL 2004

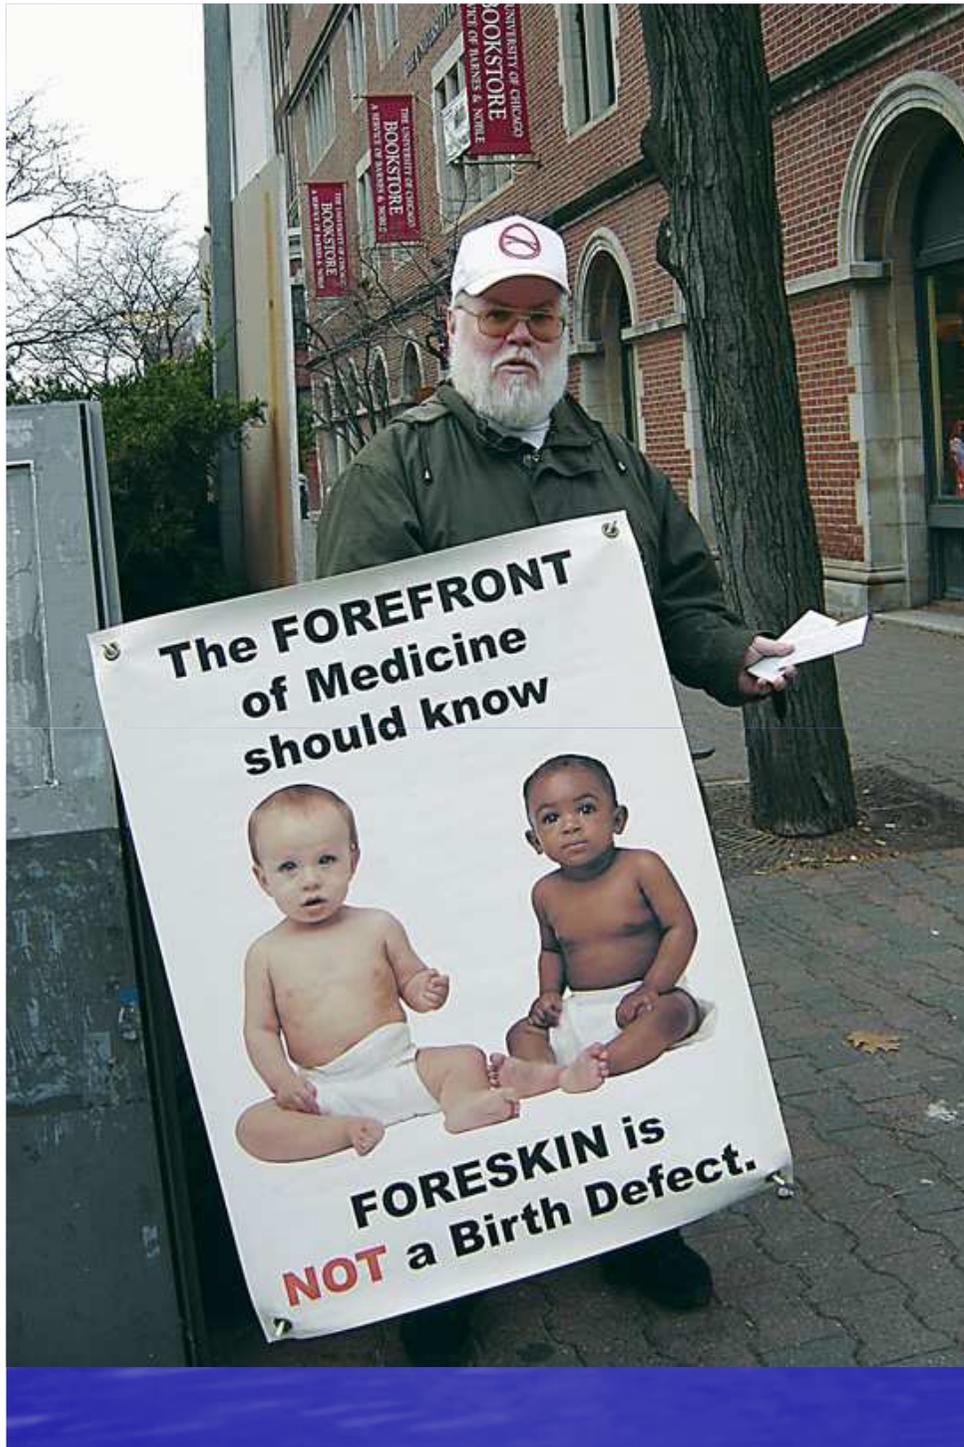

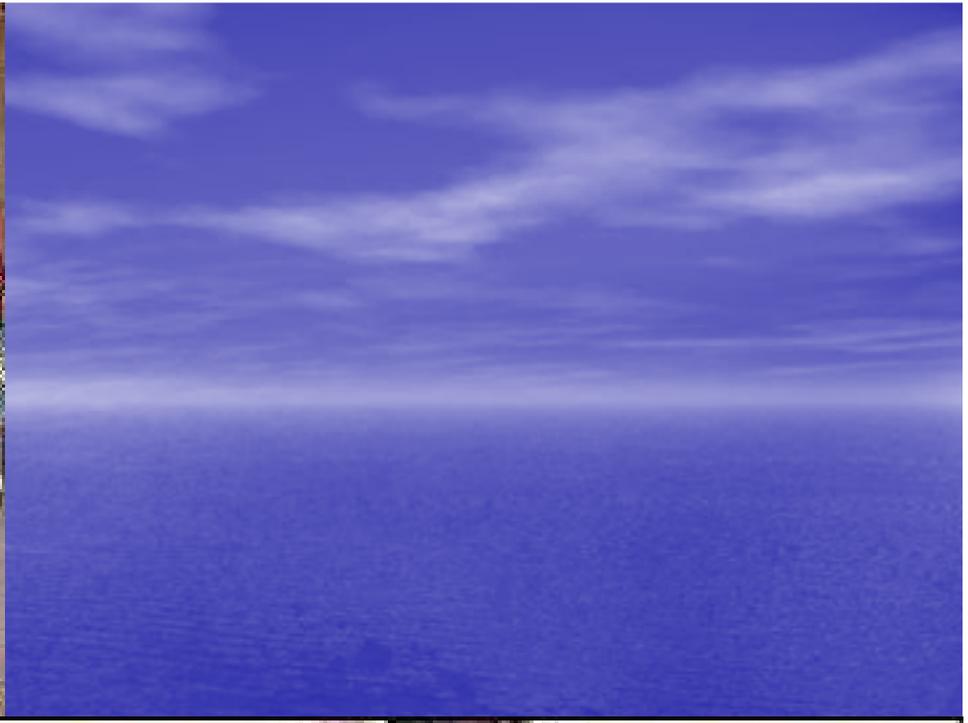

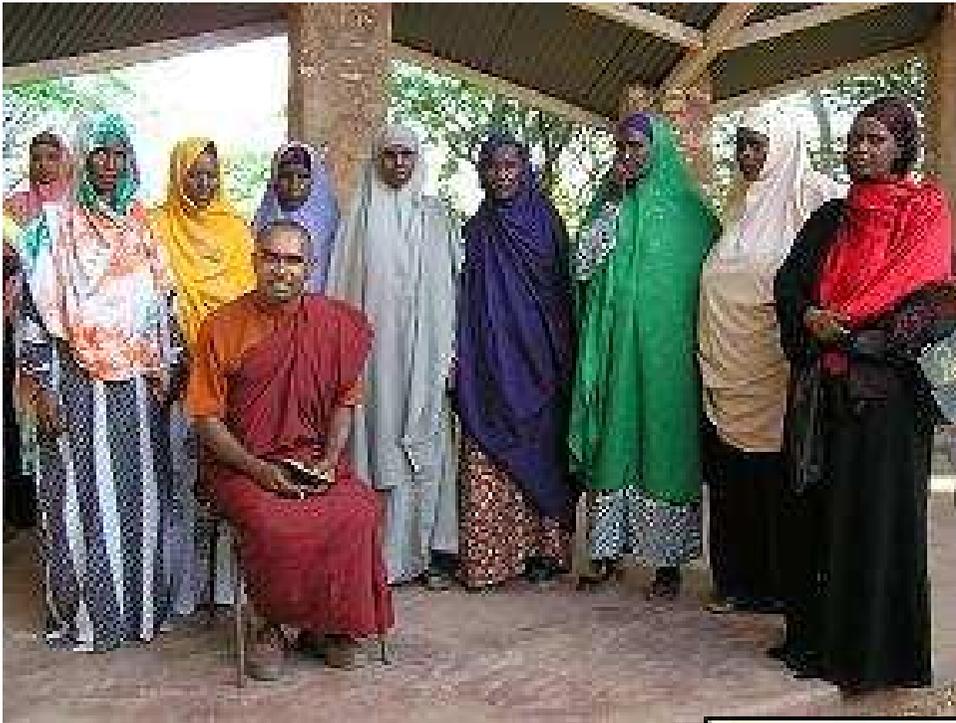

"Dijo Dios a Abraham: Guarda, pues, mi alianza, tú y tus descendientes, de generación en generación. Esta es mi alianza que deberán guardar tu y tu raza despues de ti. Todo varón entre ustedes será Circuncidado. Ustedes cortarán el prepucio y esta será la señal de la alianza entre mi y ustedes. Con el correr del tiempo ustedes harán circuncidar a todos los varones, a la edad de ocho dias, tanto a los de su familia como a los extranjeros de otra raza comprados para ser esclavos. Todos tendrán en su carne el signo de mi alianza que es una Alianza perpetua. El no circunciso, el varon al que no le hayan cortado el prepucio, será borrado de entre los suyos por haber roto mi alianza".

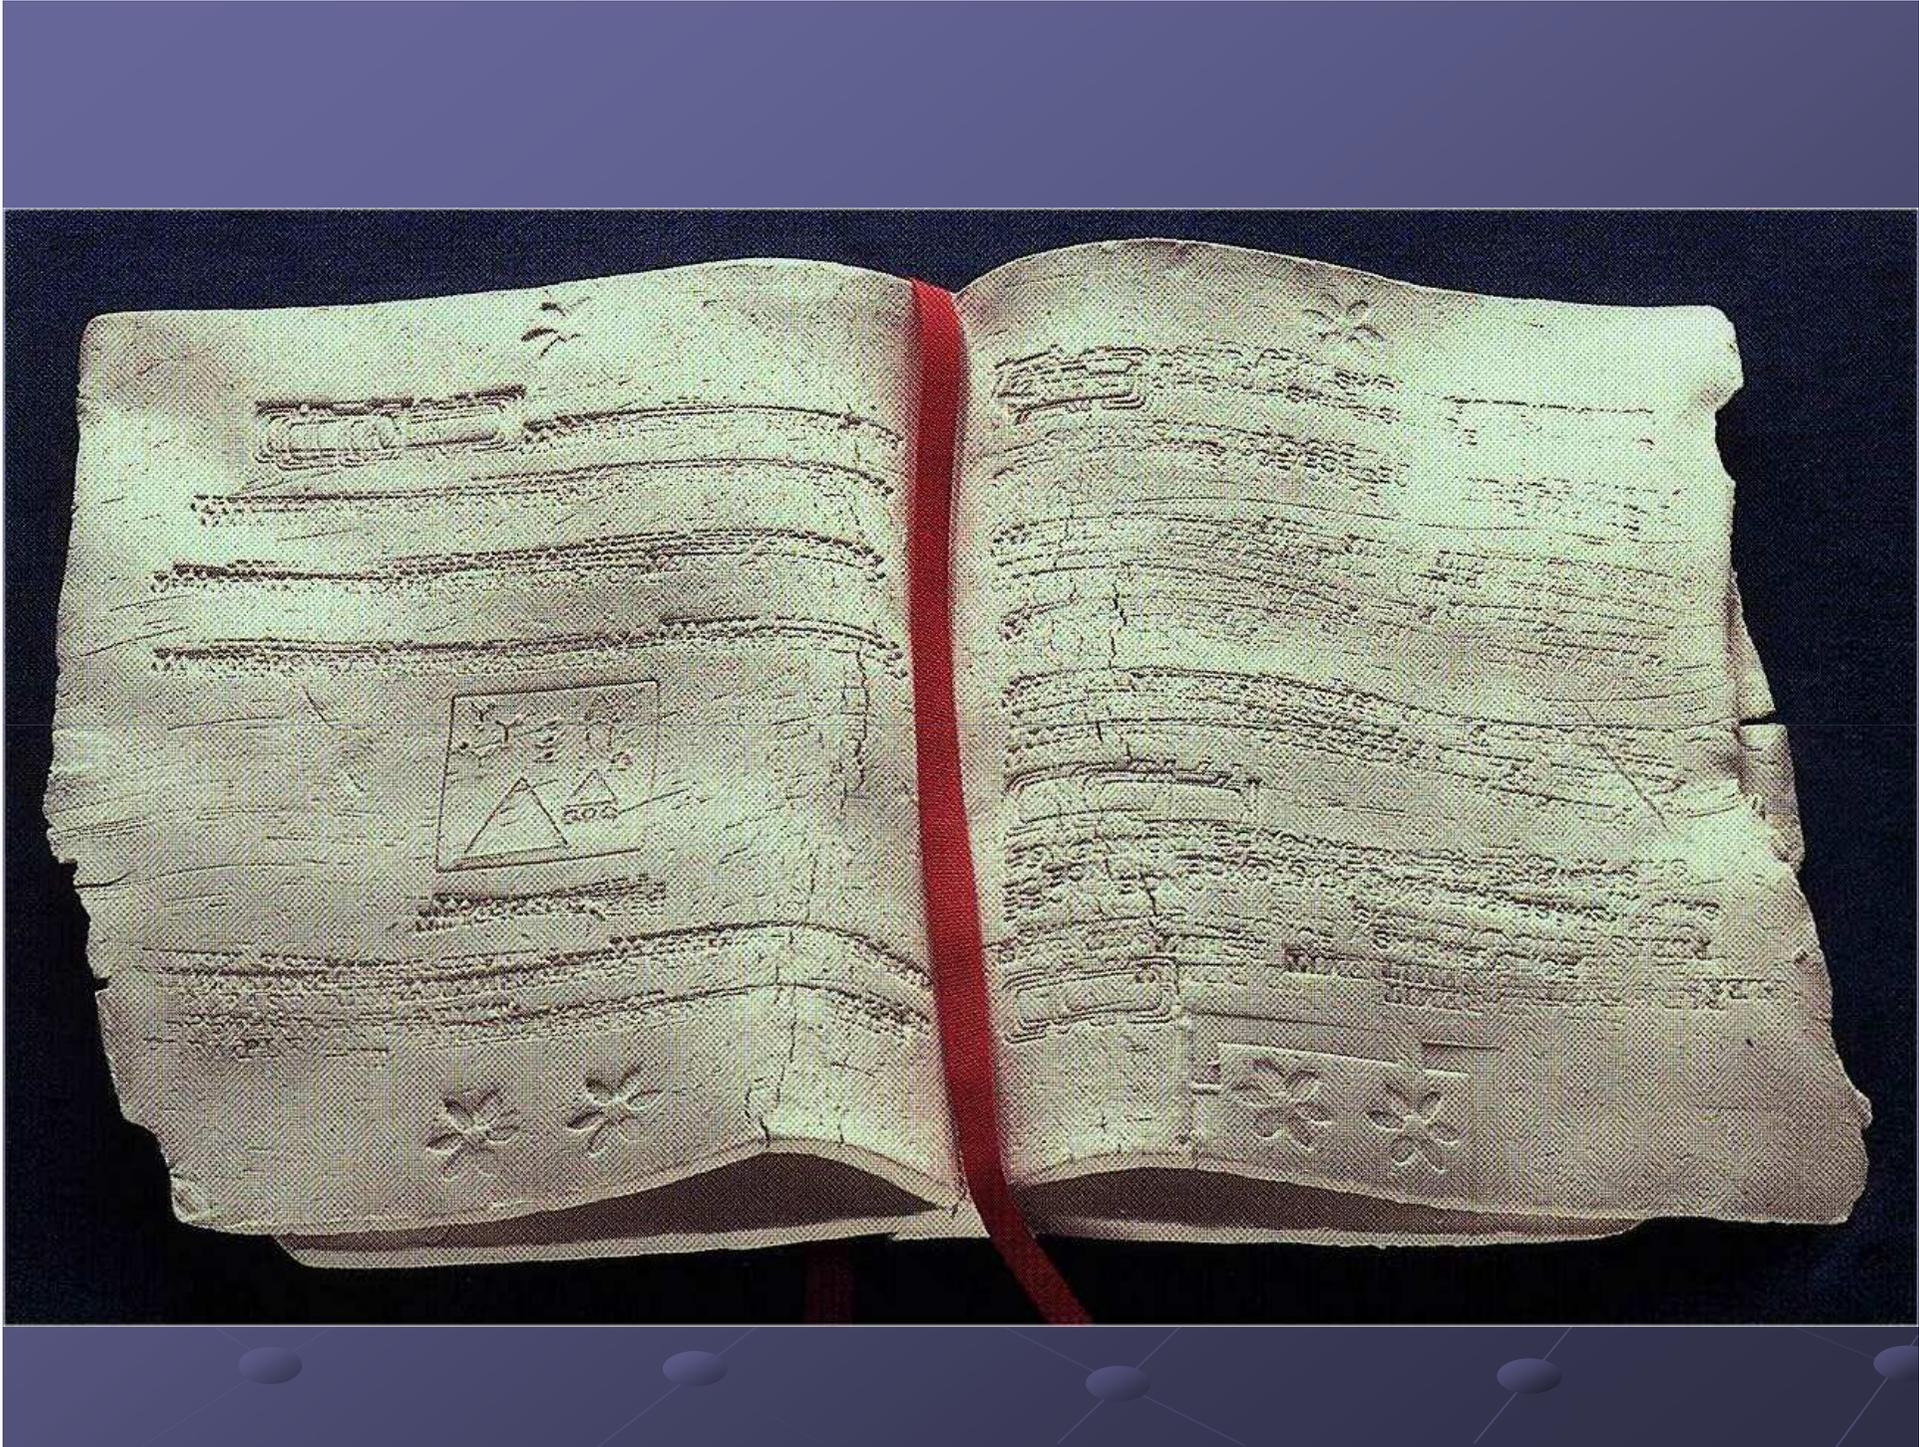

***LA CIRUGÍA
EN EL
MUNDO ANTIGUO***

Handwritten text in Arabic script on a yellowed parchment page. The text is arranged in approximately 20 horizontal lines, written in a dense, cursive style characteristic of medieval Islamic manuscripts. The parchment shows signs of age, including discoloration and some staining.
